BLOOD DRIVE SERIES

@ Fire Station #41 in Walla Walla

Friday, July 10th

We started our series with a full day of wonderful people in Walla Walla donating blood thru the Red Cross in support and or memory of first responders.

Friday, Sept 11th

On this memorable day we wished to honor all who scarified their live to help others and to all who have lost loved ones in the service of helping and protecting other in our communities across the United States.

Friday, January 8th

We end our series on National Blue Blood Day. Please signup to donate, and thank you to all who helped support our blood drive series these last 7 months. Our community has stepped up and been wonderful to help out during these trying times.

OPPORTUNITIES FOR GIVING

Donations are gladly accepted. We have a donation button on our website. Visit our website at:

www.ww-sf.org

Checks can be mailed to the address listed above. We also have a Facebook page, "Like" us today!

We are a 501(c)3 foundation.
All donations may be tax deductible.
Please consult your tax advisor.

Sheriff Roundtables

The last online Sheriff's Roundtable was very successful.

The Sheriff will schedule another one this quarter.

Please look for that announcement on the Sheriff's Office Facebook page. We will also post it on the Walla Walla Sheriff's Foundation page.

Thank you to all who participated in the Summer Roundtable.

*We missed seeing
all of you at the
Fair this year.*

We enjoyed seeing all the fair memory photos on your Facebook pages.

See you all next year!

Fair Time is Fun Time!

Community Care Fund

We created this fund last year as a way to help those who are in need of help during a stressful, painful or otherwise scary time in their lives. Our deputies have funds at their disposal to help our community members who need assistance, whether that comes in the form of a few gallons of gas, a warm cup of coffee or even a safe place to sleep at night.

As we move into 2020, we were blessed with additional funds \$2,000, from a business right here in Walla Walla along with United Way to continue to help our community members. Thank you to all our businesses who are helping our community during these stressful and trying times. The Community Care Fund is our way of helping the deputies help our neighbors right here in Walla Walla County. Thank you!

Note from the Sheriff

2020 has been a challenging year thus far, and it does not seem to want to end without a fight. The COVID-19 pandemic has been challenging but we have come up with innovative ways to accomplish our mission. We are also one of the few entities to continue with providing most of our services with limited interruption. We even managed to get a lateral deputy hire through the FTO process and keep him onboard with the threat of budget cuts. Please welcome Deputy Aaron Stites when you see him. As we were just settling into our new pandemic routine, we got hit with the smoke and all the challenges it presents. One highlight in 2020 is that Deputy Daschofsky and K9 Murphy were certified both to the Washington state standards and the higher level WASPCA standards. Deputy Daschofsky commended Deputy Olson, who stepped in as a quarry, with helping them greatly in the training and certification process. Please congratulate them when you see them. With all the unrest and rhetoric this year, I would like to add that I have been extremely humbled by the outpouring of support from the community. The Sheriff's Foundation always provides plenty of support, but the Walla Walla community has really stepped in to let us know we are appreciated. Hopefully, 2020 will end quietly, but in the meantime please stay safe.

~~~Sheriff Crider~~~

## Thank you

We would like to take a moment to say thank you to Sergeant Frisvold, who serviced our community for over 36 years with the Walla Walla County Sheriff's Office. In December of 1983, Sergeant Frisvold began his journey as a WWSO Deputy Sheriff. During his tenure, Sergeant Frisvold started our WWSO Search and Rescue program and was the coordinator for 22 years. He spent 9 years as a DARE instructor and served as a part of our Marine Patrol division. He also instructed, held several other specialty assignments and earned many commendations, including the coveted Tom Bowman Deputy of the Year award, in 2019! Sergeant Frisvold, there will never be another one like you. Your knack for always being positive, no matter what, can never be replaced. You're a wealth of knowledge and have more stories than most have experiences. You've earned your retirement many times over, and we wish you and your family nothing but joy in the future!

## Meet a Board Member

Hi, I'm Vicky, a newer member to the foundation. I've spent a majority of my life helping people as a nurse. Joining this group is a great way for me to be a part of my community. Plus I'm a big dog lover! My husband and I moved to Walla Walla to be closer to family, and I'm thrilled to help with the WWSF to help make sure our community is safe and that all its citizens can enjoy all aspects of this great valley. I look forward to seeing you at the next fun event. See you soon!

## K9 Program

*Our K9 team may be only one team, but they completed not only the state certification test but also a more intense and in-depth certification called the WASPCA. For the next two years this team will help deter crime, search for items at crime scenes, protect our deputies in dangerous situations and most importantly be a true asset to our community. The next time you see K9 Murphy and his handler, ask if you can give a pat on the head and a friendly scratch behind the ear to Murphy. He will reward you with a wet tongue kiss and a wagging tail!*
