DARE

The DARE program helps educate kids about the risk of drugs, smoking, and abusing pharmaceuticals. The DARE officer is currently conducting classes in Touchet's, Prescott's, and Burbank's 5th grade classrooms. The students just learned about the negative side effects of smoking marijuana. The DARE officer is working hard to make sure our students in Walla Walla County are safe and understand the risks of making poor choices.

Reserve Deputies

Our county is so lucky to have 4 volunteer community members currently attending classes to become reserve deputies for Walla Walla County. These reservists will give a minimum of 20 hours of volunteer time per month. Please come meet them at the Plumb Cellars social event. Thank you to these individuals for your commitment to our county!

From the Sheriff

For three years in a row, the men and women of the WWSO have knocked down crime. In 2013, crime was reduced 19.7%. In 2014, it was down another 7.1%. And last year, during a time when crime rose somewhat in both local cities, our small team of dedicated deputies who serve a county of almost 1,300 square miles managed to knock crime down another 19.3%! Great job team!

See Something, Say Something. Please don't feel funny about calling 9-1-1. We're here to help, so if you see something, please call us and say something. We'd rather roll out and have it be nothing than the other way around... Join your Sheriff's Office on Facebook!  Thanks for your ongoing support!

K-9

A great big "Thank You!" to Allstate for donating \$1,000 from their "Helping Hands in the Community" to the K9 program here in Walla Walla County. K-9 dog, Gudy, has conducted article searches in the field, persuaded criminals to surrender, and helped make our deputies' lives safer while in the line of duty. Come and meet Gudy and his handler at the Honda of Walla Walla event on June 11. It will be a great time!
