

Walla Walla Sheriff's Foundation

Dedicated to strengthening public safety

Press Release, November 2016

A wonderful time was had by all at the annual D.A.R.E. Spaghetti Feed Fundraiser on Monday night at Bacon & Eggs.

Over \$2,600 was raised to support this important program here in Walla Walla Valley. So many people, organizations and businesses came together to show their support for our D.A.R.E. program.

The Drug Abuse Resistance Education (D.A.R.E.) is an international education program that seeks to prevent use of controlled drugs, membership in gangs, and violent behavior, D.A.R.E. which has expanded globally since it's founding in 1983, is a demand-side drug control strategy of the American War on Drugs. Students who enter the program sign a pledge not to use drugs or join gangs and are taught by our Deputy Ian Edwards about the dangers of drug use in an interactive in-school curriculum which lasts several weeks. The D.A.R.E. program is currently in WW County Schools.

All proceeds from this event, along with the donations made that evening, will directly benefit the D.A.R.E. Program.
